

Approval explanation and information to the data protection for applicants:

You agree with the transmission of your application with the following:

I. Approval explanations for the processing and use of the data

use of the e-mail address:

You agree with the sending of your application papers by e-mail or naming of your e-mail address in us by mail to shut applications that we may use your e-mail address for the other application procedure than communication way. We expressly point out to the fact that this occurs at the moment within the scope of a not secured e-mail traffic. However, in the case of unencrypted e-mail transmission, acknowledgment and modification of data by unauthorized third parties can not be ruled out with complete certainty. In knowledge of these circumstances you agree - with input of your e-mail address - with the uncoded electronic communication and the sending not of coded e-mails by the Kirchner Solar Group GmbH. You can revoke this approval any time.

Data transfer and use in the Kirchner Solar Group:

By submitting your data to Kirchner Solar Group GmbH, you consent to the data being processed by Kirchner Solar Group GmbH and used in accordance with the purpose for the application process of the respective company of the Kirchner Solar Group. A list of the enterprises of our company group which can take part in a centralized data processing you on the Internet under

<https://www.kirchner-solar-group.de/en/locations/>

call away. All personal information is treated according to the federal data law for the protection with the highest confidentiality. Data is not forwarded to third parties outside the Kirchner Solar Group. The data are not used for advertising purposes.

Use of the application for further jobs in the Kirchner Solar Group:

If you have agreed that we may continue to consider your application for further jobs in the future and that we refuse to cooperate with you, we may initially retain your applicant data as an active candidate. Your application or your applicant data can then be automatically taken into consideration by us in the job advertisement of a company belonging to the Kirchner Solar Group.

Written form of consent and revocation:

You can submit your consent here at any time at Kirchner Solar Group GmbH, Auf der Welle 8, 36211 Alheim, Germany, phone 05664 93911-0, fax 05664-93911839, E-Mail: info@kirchner-solar-group.de also request in writing or download this declaration via the following link as a PDF file. Likewise, you can also revoke all or part of the consent given here for the processing and use of your data (such as use for other jobs).

II. Information on data deletion

You are interested in a position advertised by Kirchner Solar Group GmbH or a company of the Kirchner Solar Group? You agree that Kirchner Solar Group GmbH will retain the complete data, whether electronically or as an application folder by post, in the event of a refusal of cooperation for a period of up to 6 months after the rejection decision. Your application data, which we consider to be used for other jobs, will be kept by us for this purpose for a full 2 years. After the retention period, the data is then automatically destroyed. A notification to you about the destruction of the data does not occur. Further information on data protection with your data at Kirchner Solar Group GmbH can be found at <https://www.kirchner-solar-group.de/en/privacy-policy/>.

Approval:

Here I explain that I have read the preceding tips to the data protection for applicants and explains my consent with the predescribed processing and storage of my personal data.

*My application documents with local personal data may be kept for possible use in later job postings up to 2 years after rejection notice. ** Please tick if you want to give us your consent.*
